The screenshot displays the Cisco Academy 'My Learning' dashboard. At the top, there's a navigation bar with 'NetAcad' and 'Legacy NetAcad' tabs, a search bar, and user profile information. The main section is titled 'My Learning' and 'In-Progress'. It features a search bar and filters for 'Academy' (Networking Ac...) and 'Type' (All). Below this, two course cards are visible: 'Introduction to Cybersecurity' (Beginner level, Cisco Academy) and 'Python Essentials 1' (Beginner level, Python Institute). The right sidebar shows 'Latest Achievements' with a list of completed courses and their associated badges, including 'Data Careers', 'Artificial Intelligence and Machine Learning Concepts', 'Basics of Analytics', 'Introduction to Data Science' (Course Badge), and 'Data Collection'.

Accessing course content

- On the left side, you'll find the list of modules. Select the modules you want to study.
- Each module contains multiple chapters.

Happy Learning !
