Google Cloud

[READ ME] Important next steps for program completers

Congratulations on completing your Google Cloud Certificate! Take 5 minutes to review this checklist of exclusive, free job search resources you've unlocked as a certificate completer.

★ **Pro Tip:** Download and save this document for future reference!

Calling all completers!

✅ Claim your Google Cloud Certificate badge on Credly

- Claim your Google Cloud Certificate digital badge!
  - **IMPORTANT:** Make sure to use the same email address that you use to log into Google Skills so that we can quickly confirm that you completed the certificate.
- Create a Credly account, personalize your profile and consider enabling the option to be contacted regarding job opportunities.

✅ Share your accomplishment with your network!

- Once claimed, you can share your digital badge on LinkedIn and other social networks to capture the attention of potential employers. #GoogleCloudReady, #GoogleCloudCertificate

✅ Complete the end-of-certificate survey

Hey jobseekers!

✅ Search and apply for open roles with Google Cloud Affiliate Employers in the US

- US, LATAM and JAPAC based Google Cloud Affiliate Employers are searching for applicants with your skillset. Apply directly through their job sites and showcase your Cloud Certificate badge during the application process: go.cloudskillsboost.google/affiliate-employers.

✅ Access career prep resources

- Access Google's free AI powered tools, Career Dreamer (US only) and Google Skills Arcade. Career Dreamer is an early-stage experiment that uses AI to help you explore career possibilities personalized to their skills and interests. Google Skills Arcade is a gamified space to learn and grow. Continue your Google Cloud learning journey with games and challenges while you earn badges to celebrate your progress!
- Check out career tips for aspiring Cloud Data Analysts or Cloud Cybersecurity Analysts.

Hey students!

✅ Submit your transcript for academic credit at colleges and universities (US & India)

- [US] Your Google Cloud Certificate offers a credit recommendation from ACE® of up to 10 college credits[1]. Share your transcript with an institution directly from Credly after accepting your Credly badge.
- [India] Your Google Cloud Certificate is recognized within the National Skills Qualifications Framework (NSQF) from NCVET with a Level recommendation to share with local higher education institutions.

[1] Please note that the decision to accept credit recommendations is up to each institution and is not guaranteed.
